EAGLE RANCH

We have quilt kits available for anyone interested in doing some easy piecing. We will be getting in touch with Eagle Ranch to see if they need any quilts since our last delivery was just prior to the COVID shutdown. We have plenty at this time to cover them if they are needed, but we will then need to work on building back up our inventory. Normally several people would work on kits during the Retreat, but that isn't happening this year either. Just remember they make great Leader/Ender projects!!
