*We are so thankful for a very colorful donation of nice fabric from the estate of Sally Zook. We have kits already made from some of it so be sure to check one out to make.*

*Eagle Ranch has let us know they will be needing quilts by mid summer so when the fall session starts they will be ready with quilts for the new kids. We will need to replenish the stock so keep on sewing all those lovely tops.*

*Remember when making the tops to read all the directions and if any questions or problems just call/email Peggy or Jenny Thomas. Iron well, using starch to keep those seams open and flat. It sure aids those longarmers when they quilt the pretty designs.*

### **Keep in your prayers and thoughts:**

Please continue to keep the family of Sally Zook in your prayers. Also, Sally older son passed away 2 weeks after Sally. Her younger son lives in Colorado and had to go home for a bit of a respite. Chris Anderson and several others have been helping the family with cleaning out the house. Still a long way to go and it's a difficult process with the son being so far away. Sally's family donated her fabric for Eagle Ranch kits, Quilts for Kids and Cancer Pillows kits.

### **Show and Tell –**

Several fun beautiful projects were shown.

Peggy Johnson showed a beautiful quilt that was made from some blocks that Sally Zook had made. The Quilt will go to Eagle Ranch and they have plans to do the same with other blocks that Sally had started or collected. Several kits were made for Eagle Ranch from fabric that Sally's family donated.

### **News and fun facts that were shared:**

**March Quilt Expo – March 11 – 13, 2021 at the Infinite Energy Center**

- Use Insul-Brite in your table runners and they serve a dual purpose as a hot pad!
