**OUR NEXT MEETING IS ON JUNE 7TH.**

Bring your own lunch for an indoor picnic. No reservations are needed.

Northeast Georgia Chapter of Quilts for Kids was established in Gainesville in 2012 to serve pediatric patients at the local hospital and shelters. To date we have made and donated 6250 quilts to children in Gainesville, Athens and to the patients in Children's Healthcare of Atlanta.

Our fabric is furnished by donations and kits are made monthly to be signed out by volunteers in guilds, quilt shops and our workshops. The kits are precut and ready to sew. The volunteers must provide thread, batting and their hugs to make the comfort quilts ready for a child in need. Laundered finished quilts are returned to us so we may deliver them to appropriate hospital and shelter sites.

Please consult our website for times and locations of the workshops and supporting quilt shops where kits are provided. [www.NeGaQuiltsforKids.org](http://www.NeGaQuiltsforKids.org)

If you'd like to make quilts for us from your stash of fabric, quilt patterns with sizes are located on the website above and we give receipts for the donations. We also accept donations of 100% cotton fabric and cotton, polyester or cotton/poly blend of batting.

Quilt kits are available at Hall County Quilt Guild meetings each month.

More information is available from Betty Wright, chapter leader at [northeastgaq4k@gmail.com](mailto:northeastgaq4k@gmail.com) or by calling 678-617-9671.

## Tula Pink Challenge

At the June meeting we will discuss starting back with the Tula Pink Challenge that began the end of 2019, using the book "Tula Pink's City Sampler 101 Modern Quilt Blocks." I will explain how it works for those who didn't participate before and have a sign up sheet to see if there is interest. If you won't be with us in June, you can email me [jemajoh@bellsouth.net](mailto:jemajoh@bellsouth.net) with questions or to sign up.

For this project, we will use batiks not Tula Pink fabric. If you participate, you will need to provide each quilter 1/8 yard of your chosen batik and select a pattern from the book when it is your month; the quilters will make your block using your fabric and any other fabric of their own. You can make as many or as few blocks as you want and complete your project in whatever way you choose; there are several ideas in the book.

See you in June!

Margaret Johnson

Attention Fellow Quilters:

The calendar says spring, but these last few days we have truly experienced "Blackberry Winter." Hopefully, we are going to finally see warm spring days ahead. I love Spring, with the blooming of flowers and the greening of the lawns and trees. For many, spring is a time of new beginnings.

With June around the corner, we are making plans for the Annual HCQG Picnic. We are still in adjustment mode. Traditionally, we have met at Eagle Ranch, but this will not be happening this year. We are going to have our "picnic" inside at Chestnut Mountain P.C. Another adjustment will be we are asking everyone to bring their own lunch. So, pack your lunch and come join us for a fun time of being together.

We do have some indication of "normalcy," the church is no longer limiting the number of people who can assemble in their Fellowship Hall. Therefore, we do not have to make reservations each month. There are some protocols still in place. We are still encouraging people to wear mask inside and we will still be checking your temperatures.

We are still having difficulty scheduling guest speakers from out of town. Peggy and Jenny are working hard to provide interesting programs and presenters who live closer to our area. We know as we prepare for our future gatherings, it will be a time of inspiration, enjoyment, and a continual appreciation for our Guild and our members.

Happy Quilting,

Joyce Pinson

PS Breaking news May 13 the CDC announced the following:

- If you are fully vaccinated, you can resume activities that you did prior to the pandemic.
- Fully vaccinated people can resume activities without wearing a mask or physically distancing, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance.
