## OUR NEXT MEETING IS ON JANUARY 3RD.

I hope that everyone has had a wonderful Christmas....and that you've done some quilting along with your other activities!

Our program in January will be highlights of all that goes on in our Guild....and that's a lot! If you're new to the Guild, perhaps this will answer some of your questions, and if you've been a member for a while you may (like me!) need a reminder.

If you have been participating in Block of the Month, Tula Pink Challenge or the new Medallion challenge Jenny G. just started, please bring what you've done so far, no matter what stage you're in.

Margaret Johnson  
Co-President

The slate of officers nominated for Hall County Quilt Guild, 2022-23, is as follows:

from the Treasurer

It's that time of year again!!! We will be putting the Proposed Budget for 2022-2023 in the Member's Only Section. Please go in and review it between now and when you vote on it in February.

# Medallion Mystery Quilt Along

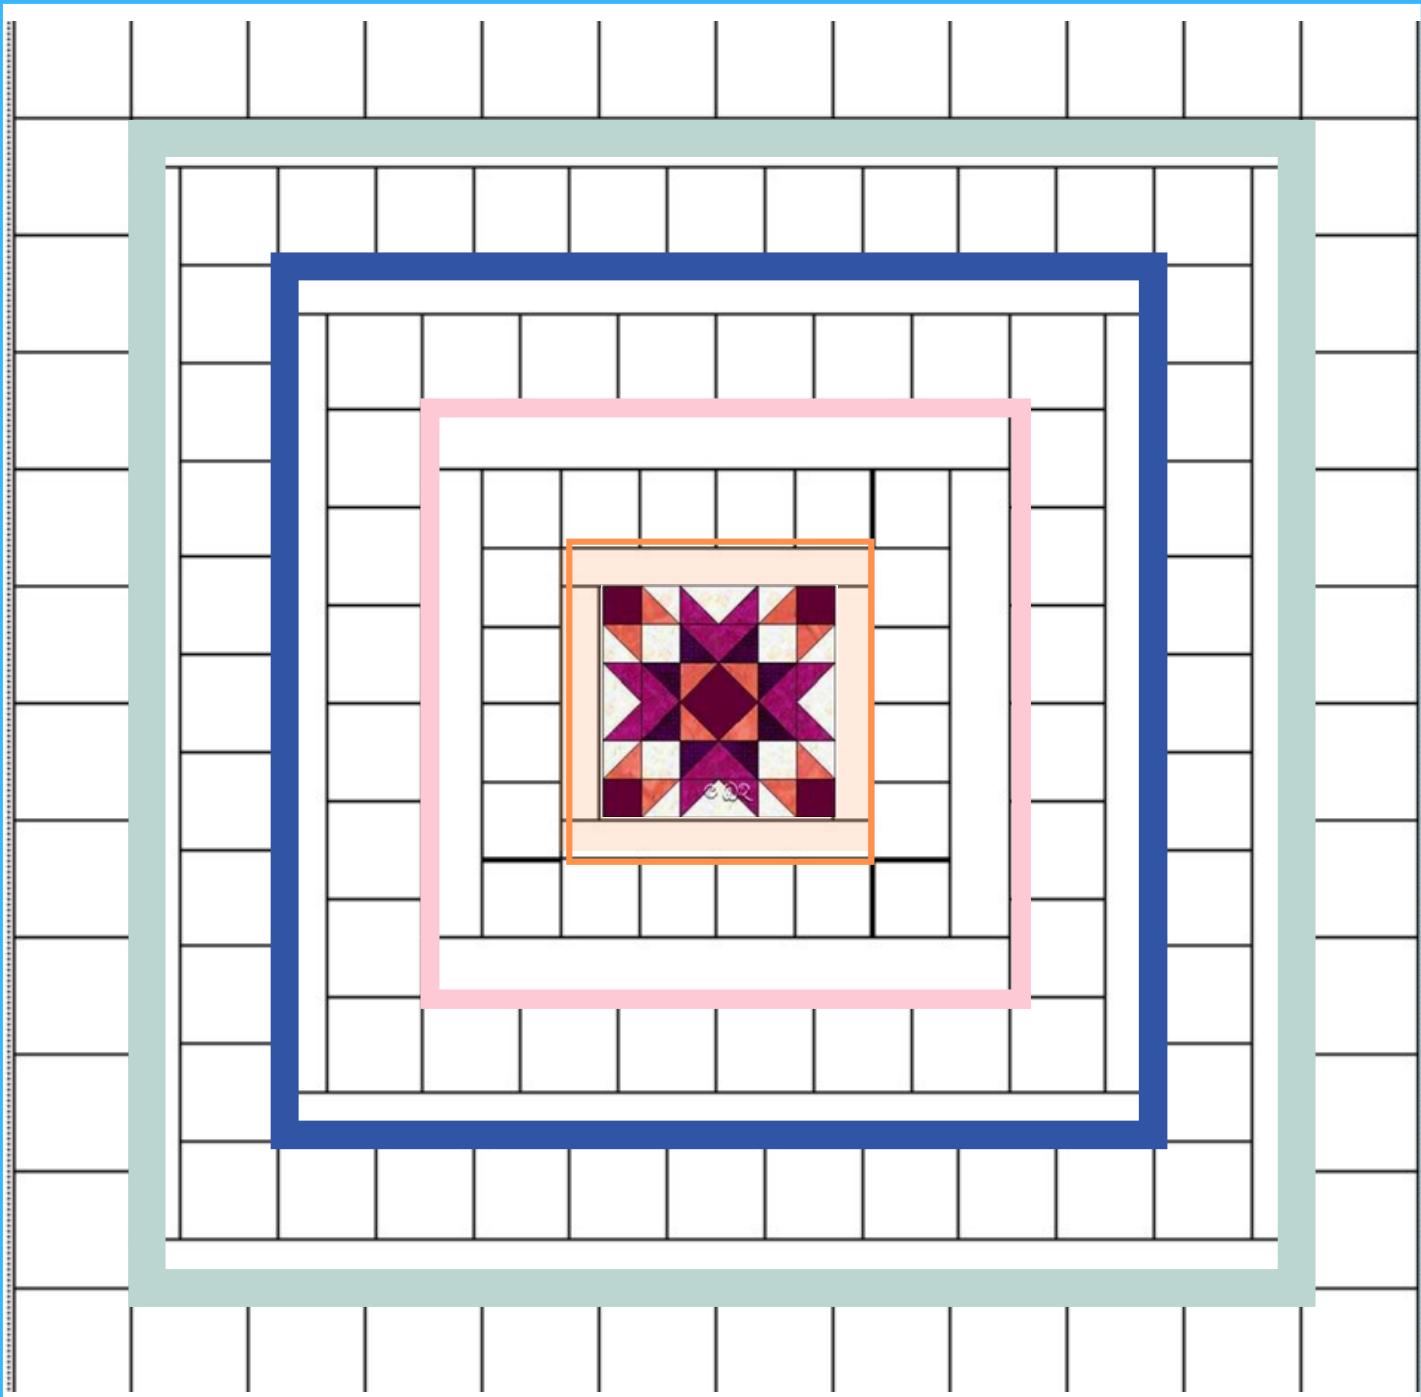

We just completed our first month of the Medallion Mystery Quilt Along. This past month everyone should have at least selected their fabric and some of us already have a finished medallion center (My block is shown). Thanks to Kathy Stephan and Bobby Martin for showing their beautiful blocks at the December's meeting! There's still plenty of time to join us! The next selection of blocks, to go around the medallion, won't come out until the next newsletter. You can refer back to last month's newsletter for all the information to get started.

To those who have finished their medallion since the December meeting, please bring it to the next meeting for show and tell. Hopefully, it will spur additional interest for those members that haven't decided to get on board with us!

Happy Sewing!

Jenny Grandfield
