From Our President

We've come to the end of another guild year. I have enjoyed my last two years serving the guild as your president. Of course, I had great officers and committees to give lots of help. No one can do this job alone. So thank you to all who helped me through the last two years. And a big thank you for those who are stepping into new roles for the next guild year.

It's wonderful to look back on all of our programs, service projects, and quilts we have all made. We accomplished a lot as a group! So let's keep up all the sewing and quilting -- doing what we love and sharing it with others.

Happy quilting!
Bobby Martin

PROGRAMS

As mentioned at the January meeting our February speaker had a death in the family and cannot join us. Sandra Daniel will be taking the October slot that was vacated due to another cancellation.

I will be speaking in February and you will get to hear about my life journey and how I got into quilting. I will also be taking questions from the group. Elections will also be held at the February meeting.

Thanks,
Dean Ray

EAGLE RANCH

The Eagle Ranch committee will have new kits available at the February meeting for anyone who would like to work on an Eagle Ranch quilt during their time at Retreat.

PET BEDS

Thanks to all of you who have filled the critter beds. The Northeast Georgia Humane Society staff and the doggies and kitties greatly appreciate your generosity. I have covers available. All you need to do is put your little scraps into them, sew up the end, give them to me, and I'll deliver them.

The beasties like the beds soft and squishy so stuff them loosely. If you choose to make your own pillows, there is no specific size. I try to keep them no larger than 24 inches, either rectangular or square. Fleece works great but flannel or any sturdier fabric works well too. I am always appreciative of any donations of fabric. Fleece makes the nicest covers.

The shelter is always grateful to receive donations of towels, sheets and blankets. I will deliver these also.

Thanks Again.
Chris Anderson

PROJECT DAY

For February's Project Day we will once again be making Alzheimer/Dementia Fidget Mats. We had a good time in January getting started on making our Fidget Mats. Please join us in February. They are fun to make and go to a really good cause.

In March, Trisha Brisbois will teach us how to make a large, triple scissor holder. Stay tuned for more information and fabric requirements. They are easy to make and make great gifts to your sewing friends.

Thanks,
Lisa Vieira
