We're all recovering from the holidays, family gatherings, and football. Time to make some quilts. Hope to see you at our project days or one of our workshops scheduled for this year. We have a lot happening in 2026!

See you soon!

Chris Anderson

# PROJECT DAY

Our activity for the January Project Day is a sweet Valentine Quilt. You will need 1-1/4 yds black fabric, 1-1/4 yds white fabric, and 6 fat quarters for the hearts. You will also need the pattern which I will have available at the January meeting for \$2. Great for large scraps 10 inches +

It's a great beginner quilt.

Thanks,  
Lisa Vieira
